HUTTLESTONIAN
2018

When I arrived
at the stairs
on the first day
of freshman year
it looked like a castle
with multiple floors.
I feared
getting lost,
not fitting in,
being bullied...
but this place
was going to be the
foundation of four of the most
historic years,
of my life.

THE HUTTLESTONIAN

Making History

What is the importance of making history?

By: The Class of 2018

"Making history is important because history changes the way future generations will think or act..." - *Grace Pelletier*

"The importance of making history is to have insight for the future along with leaving your mark." - *Vena Nguyen*

"Making history is important[so you can]make your mark on this world and not be just another number..."
- *Matt Mitchell*

"Making history isn't about having everyone know your name. It's about leaving a positive impact on a person, whether they know you or not." - *Anonymous*

"Making history is measured in the memories made"
- *Aidan Quintal*

"Making history is leaving a positive impact."
- *Ari Pauline*

"I want to make history that means something to me."
- *Ally Pereira*

"I want to make history that will be remembered forever"
- *Laela Pepin*

"Making history is having someone remember your actions and not your name."
- *Anonymous*

"History is simply the tradition of passing knowledge onto others, resulting in the improvement of our society."
- *Anonymous*

"It's important to make history because we will [be] remembered forever"
- *Cameron Nadeau*

"Making history is important because once history is made, it is there forever."
- *Kaitlyn Costa*

"I want to change someone's life." - *Anonymous*

"Making history is important in order to set a positive example for others to follow."
- *Kaelyn Bourgeois*

"If I were to make history, I would like to do it through poetry and story telling through music." - *Gary D. Reed*

"History is a story that we write by living. History books don't write themselves." - *Anonymous*

"Making history shows how everyone... is going to leave their mark on the world and accomplish something meaningful one day." - *Rylie Bolarinho*

"I want to make history to help people. History changes how the future will live their lives."
- *Kathryn Kenney*

"Making history means making memories that you will always remember and can share with those around you. To make history is to leave your mark, even in the smallest sense."

Assistant Principal

To The Class of 2018,

Congratulations on completing your high school career. With this achievement, you have prepared yourselves with a strong foundation and the skills necessary to continue your successes as you move on and away from the hallways of Fairhaven High School. In your time spent here, you have demonstrated outstanding character and commitment. You have become responsible and hard working young adults, equipped to accomplish great things. I want to thank the class of 2018 for giving me the opportunity to serve as your principal. I have fond memories of my first Fairhaven High School graduating class. Good luck in all your future endeavors and take each opportunity as a chance for a positive experience. As you prepare to depart, know that you have left your mark on this school and remember that you will always be a member of the Fairhaven High School Family.

A message from your editors :

Yearbook Staff

Class of 2018,

Well here we are.

Senior year. We have been behind the scenes of the yearbook for four years now and have watched this class grow together. It is bittersweet that this is the end. We are all going to move on after high school and go our separate ways, but the memories we have made in our four years here will stick forever. So, we thank you for letting us capture all the memories that have been made. We hope you cherish these memories and look back at these yearbooks years from now to remember your high school years. It has been such an honor for us to work alongside you all to make these last four years enjoyable and ones to remember. Good luck in the future!

Best wishes,

Kaitlyn and Kathryn

Dear Class of
2018,

We did it! Four years of all nighters, tech weeks, last-minute assignments, bad parking jobs, races to homeroom--we've done it all. High school is not an easy endeavor but it is certainly a memorable one. Math Team State Champs, National Cheerleading Champs, National Art Honor Society's muralists, Emmy Award winners, and musicians with medals upon medals--as students, (m)athletes, artists, and future leaders, we've crushed expectations and gone above and beyond to achieve the highest caliber of excellence. Time and time again, we have proved to be a class of unflagging ambition and relentless passion, characteristics that have enabled us to accomplish truly historical achievements and will only further contribute to our future success. But "making history" isn't just about what we accomplished--it's also about the people we met and the memories we made. I hope you have cherished your time in these halls of ivy and remember it as a truly momentous part of our lives. I sincerely wish you all the very best in your future pursuits and adventures but remember to make every second, every minute, and every day count because it does. Our time is limited, but our words are not. The pen is in your hand--write a good story.

On behalf of the class officers, I would like to thank you for giving us the opportunity to serve you. It's been a pleasure to share with you this historic journey.

Cheers to the future,

The Looming Experience

What is the Looming Experience?

"To me, the looming experience is a group of students that are willing to generously donate their time to make hats for the less fortunate. It is a chance for students who may not know each other to bond over their common interest of kindness and compassion and work together to make a difference in the world.

Although it is not an actual club, but more of a community outreach project of the Interact and Community Service club, there is such

a high attendance rate of students interested in helping the community and making hats for the less fortunate. It is such an amazing thing to see students willing to donate their time and truly make a difference in their communities. They are volunteering in a way that is fun and also extremely beneficial, especially since winters can be very cold around here," says Junior, Mira Yin.

How did the L.E. start?

Last year, Mira Yin was working with the Co-Presidents of the Interact Club, who have since graduated, and together they wanted to come up with something where students could become more involved and make a difference in the community. One senior brought forward the idea of looming hats for the less fortunate as she was already doing this out of school and thought it would be the perfect idea as New England winters tend to be brutally cold.

Thus, the Looming Experience was born! It started with four students meeting after school on Fridays in the cafeteria to loom hats. Eventually they realized they needed a teacher to serve as a "host" if they wanted to stay to loom their hats.

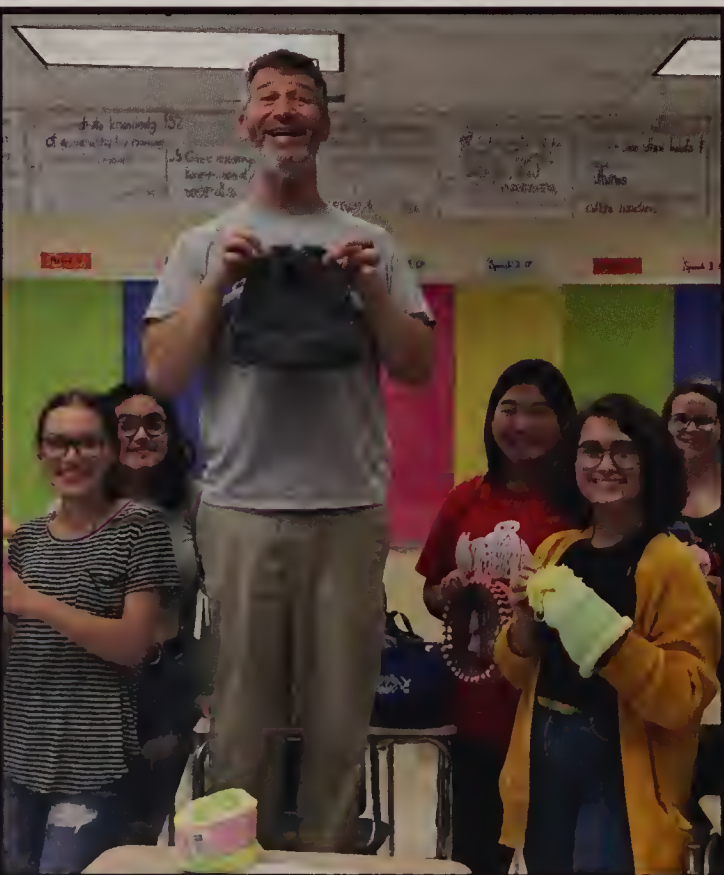

Mr. Beaulieu reached out to the students and offered up his classroom. Mira Yin says that "Since then, we have used Mr. Beaulieu's classroom and he has been such a positive impact in our group. He is a giant support for the Looming Experience and he has helped us become more successful and spread further throughout FHS."

The Looming Experience grew from a just a group of four students in the small cafeteria to a group of almost 20 students meeting in Mr. Beaulieu's room. This growth has made Mira Yin "so thankful."

She has "gained the opportunity to meet

students [she] may never [have seen] otherwise...[and] gained a way to bond with other students over common interest and passion."

The Looming Experience has given these students something to look forward to every week. Mira Yin says that she looks forward to "a creative outlet, as well as a chance to volunteer and do something good." They get to make donations and build relationships with locals. This experience "shows how wonderful people can be, and how powerful something can be if many people work together."

The Looming Experience

The Looming Experience

Donations made to:

Shepherd's Pantry

Every week donations are made to the Shepherd's pantry. Donations are typically 40 hats.

American Heart Association

The American Heart Association celebrates February as the American Heart Month for infants and families with heart defects or diseases. The Interact Club and Looming Experience collects red yarn with cotton or acrylic material with a medium to heavyweight to make infant hats to raise awareness about heart defects and encourage families to live healthy lives.

Saint Joseph's

On November 21, an individual named Caiden passed away due to cancer. Because of this, Saint Joseph School collected hats for his family to donate to the hospital in his name. The Looming Experience wanted to donate some of our hats to the lovely cause called, "Happy Hats," which gives children in hospitals these hats in order to stay warm in the cool hospitals.

The Fairhaven High School PTO presents: After Prom!

After partying at the Venus de Milo, students were welcomed to continue their party in their own Fairhaven High School. Activities such as inflatable games, raffles, caricatures, and even a hypnotist kept the party going until 6 am. Foods ranging from candy to ice cream to popcorn filled the gymnasium.

Junior Day

June 2nd, 2017

What is Junior Day?

Junior Day is a unique tradition that Fairhaven High School puts on every year before graduation. On this day, family, friends, faculty, and the entire student body are welcomed into the gymnasium for a ceremony with music and awards. This is the first time the graduating class appears dressed in their caps and gowns. The junior class wears all white and has yellow flowers. As the ceremony closes, the senior class president passes on the torch to the junior class president, symbolizing the junior class moving up to become the senior class.

Fairhaven High School

Blue Devils 2017-2018

We are nearing
graduation.
Our final year is here
ordering caps and gowns
applying for colleges...

The people I've met,
and the bonds I've formed,
could not be replaced
by any other high school.

Fairhaven has a legacy
of changing student lives
by offering them
its unique culture
and historic structure.
